

REMARKS

This Amendment is filed in response to the Office Action mailed October 17, 2008, wherein a restriction requirement was raised and the Examiner requested applicants to elect one of the following two inventions: Group I, claims 27-44 and Group II, claim 45.

Applicants hereby elect to prosecute the invention of Group I, namely claims 27-44. Accordingly, Claim 45 has been cancelled, without prejudice.

A favorable examination is respectfully requested. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
